### CANNABIS AND NOT LEGAL PRODUCT STATEMENT

Not Legal Products – Marijuana-derived products, products containing marijuana, and products containing not legal substances are strictly prohibited at the NACS Show. NACS will prohibit any exhibits or booth product demonstration it feels contains products that create legal risk to NACS or the show. NACS reserves the right to decide in its sole and absolute discretion whether any product creates such legal risk. Products that create legal risk include, but are not limited to, marijuana, delta-8 THC, kratom or any product including marijuana, delta-8 THC, or kratom as ingredients. CBD and products containing CBD as an ingredient are subject to limitations on marketing and display. NACS reserves the right to exclude any CBD or product containing CBD if it determines in its sole discretion that such product or the way that such product is displayed creates legal risk for NACS or the show.

The FDA has not approved any retail products containing hemp-derived CBD that are ingestible or that make claims of therapeutic benefit/disease treatment. The FDA therefore maintains that the sale of such products is illegal under the Federal Food, Drug & Cosmetic Act.

### NEW! CREDIT CARD FEES

Due to the large credit card fees NACS pays and our desire to use those funds to better serve our members, a fee of 2.95% will be added to credit card payments where allowed by law. These fees will not be included for payments made with ACH or checks. Your invoice will be automatically generated and sent to the email you have provided. Remember that no exhibit spaces can be approved until payment has been received.

### CHANGES TO TERMS AND CONDITIONS

We have made several important changes to the 2022 NACS Show [Terms & Conditions](#). Please familiarize yourself with this important document **before your booth selection date**. Contact your [sales representative](#) if you have any questions.

## **SAMPLING/FOOD SAFETY REQUIREMENTS**

For public safety, the Southern Nevada Health District (SNHD) in Las Vegas has very strict rules and requirements to govern the safe preparation and handling of open food and beverages. **Hot water handwashing stations and workspace sanitizing stations are required in each booth providing opened samples.** These policies have been in place in Las Vegas since 2010.

- View the [SNHD food booth safety checklist](#) (PDF)
- Additional details regarding the purchase of handwashing and sanitizing kits will be available in the exhibitor service kit (July 2022).
- The Southern Nevada Health District considers the use of CBD oil in food to be an adulterant, which is prohibited.

Factory sealed samples are exempt from these regulations.

## **BOOTH SIZE GROWTH LIMITATION/CAP**

Booth size growth for participating exhibitors may be limited. Exhibitors must maintain the same booth size for **at least three (3) consecutive years** before being allowed to increase booth size. Factors that will affect booth growth may include mergers and acquisitions, broker and distributor partnerships, and booth size history. In addition, first-time exhibitors will be subject to a maximum booth size based on membership level. Contact your NACS or PEI account manager for details.

*Note – a few exceptions to this policy were made in 2021 due to the unusual circumstances at the time. This policy will be strictly enforced in 2022.*

## **PRIORITY POINT PENALTIES ([www.nacsshow.com/prioritypoints](http://www.nacsshow.com/prioritypoints))**

- Misuse of Exhibitor Badges (6-8 point penalty) – Exhibitor badges should not be used to register customers or clients for security and liability reasons. Registration lists may be audited, and charges will be assessed.
- Early Dismantle/Departure (6-8 point penalty) - Exhibitors who choose to dismantle early and/or do not have booth staff present through the close of the NACS Show (October 4 at 1:30pm).

## **SMOKING AND VAPING POLICY – NOT PERMITTED INDOORS**

In accordance with NACS Show policies and the Nevada Clean Indoor Air Act, the Las Vegas Convention Center is a non-smoking facility. In addition, the usage of electronic cigarettes, electronic vaping devices, personal vaporizers or electronic nicotine delivery systems are not permitted within the facility.

- Designated outdoor smoking areas will be available.
