

2022 NACS SHOW SAMPLING REQUIREMENTS

Sample Sizes:

- **Alcoholic Beverage Sample**
 - o Beer: 5oz pour into 7oz cups (size adjustment to account for beer foam overage)
 - o Wine: 2oz pour
 - o Spirit: 1oz pour
- **Non-Alcoholic Beverage Samples** – 3oz samples unlimited
- **Food Samples**
 - o Adherence to SNHD requirements (hot water and sanitation stations)
 - o 2oz food samples unlimited at no cost
 - o Full-size samples – permitted at upgrade cost per exhibitor
 - \$200++ per day per exhibitor (total NACS Show cost for 3 days = \$600++ per exhibitor total). *All fees paid by the exhibitor to Centerplate directly.*
- **Demonstration:** An exhibitor who does not manufacture, distribute, or hold sole proprietorship of sampled product, but wishes to use food and/or non-alcoholic beverage to demonstrate their proprietary product is considered a demonstration.
 - o **Option 1:** Buy food and beverage/sampling product from Centerplate, pay the cost of the food/beverage++ and offer any size of food/beverage sample since the items are coming from Centerplate.
 - o **Option 2:** Provide own food and/or non-alcoholic beverage for sampling and Centerplate will apply \$200++ per day waiver fee. **Larger than sample size food and beverage will be subject to an additional \$200++ per day.**
 - o **Option 3:** Demonstrate the food or beverage and trash/toss out or display the product – no fee. Displays must have signage indicating for display only and not be accessible to guests.
 - o In the event client/exhibit is looking to offer alcoholic beverages to include beer, wine and spirits, the product would need to be purchased by Centerplate and certified. **Centerplate bartender will be required.**

All food and beverage outside of an approved demonstration/sampling must come from Centerplate as the exclusive provider of food and beverage.
